Selected schools shall receive a grant of USD 29,336 spread over the next five years to establish Atal Tinkering Labs for nurturing innovation and entrepreneurial spirit among secondary school children across India. ATLs will soon be established in every district of India to enable an innovation ecosystem which will facilitate transformational change in technological innovation and pedagogy. With this, total number of ATL schools are 5,441.

## **INDUSTRY WATCH**

- **Industrial output rises 4.9% in April**
- **Coal India's output increased by 105 MT in 4 years**
- **NPPA fixes prices of 22 drug formulations**
- **Exports rise USD 28.86 billion in May**
- **PEs, VCs increase to USD 3.2 billion investments in May**

### **Industrial output rises 4.9% in April**

**Industrial production rose 4.9% in April as compared to 4.5% in March. Three major sectors manufacturing, mining and electricity has contributed the recovery.** Mining grew 5.1% in April compared to 3% a year earlier, while manufacturing grew 5.2% as against 2.9% a year ago. Performance in April is supported by a low base effect for consumer durables and capital goods.

### **Coal India's output increased by 105 MT in 4 years**

Coal India's output increased by 105 million tonnes (MT) in the last four years to reach 567 MT in 2017-18. Increase in production was made possible due to the coordinated efforts of both the ministries coal and railways. Also, average realisation from e-auctions rose 31% during the March quarter and 20% for FY18 on higher demand and international prices. Sales through fuel supply agreements rose only 2% in the quarter from a year ago.

### **NPPA fixes prices of 22 drug formulations**

National Pharmaceutical Pricing Authority (NPPA) has fixed the retail and ceiling prices of 22 formulations used for treatment of various ailments including HIV, bacterial infections and cardiac conditions among others. Retail prices are fixed for 20 formulations, it has also capped the ceiling prices of two formulations. Regulator has fixed ceiling prices of Co-trimoxazole (Sulphamethoxazole(A) and Trimethoprim(B) tablets used for treating a variety of bacterial infections and oral rehydration salt (ORS).

### **Exports rise USD 28.86 billion in May**

Exports grew 20.18% to USD 28.86 billion and imports rose by 14.85% to USD 43.48 billion in May 2018. During April-May 2018-19, exports grew by 12.58% to USD 54.77 billion, while imports were up by 9.72% to USD 83.11 billion. Major exports were driven by petroleum products, chemicals, pharmaceuticals and engineering.

### **PEs, VCs increase to USD 3.2 billion investments in May**
